

The Stormont is a 8.5 tonne bollard pull harbour towing tug. A reliable and versatile unit, the Stormont serves the Project / Transportation fleet.

Family owned since 1990, Nadro Marine Services Limited is based in Port Dover, Ontario, Canada.

Nadro Marine operates a fleet of tugs and barges for marine transportation and construction servicing Canadian and American ports throughout the Great Lakes and St. Lawrence Seaway. We are an experienced, ethical and skilled marine service provider committed to helping customers transport cargo in a safe, cost effective, energy efficient and environmentally responsible manner.
